Flying Into: BZN

A Montana luxury resort nestled in the heart of Paradise Valley, Sage Lodge beckons adventure seekers and rejuvenators alike. Conveniently located one scenic hour from Bozeman Yellowstone International Airport (BZN) in an idyllic setting on the banks of the Yellowstone River, Sage Lodge offers the ultimate Montana luxury resort getaway.
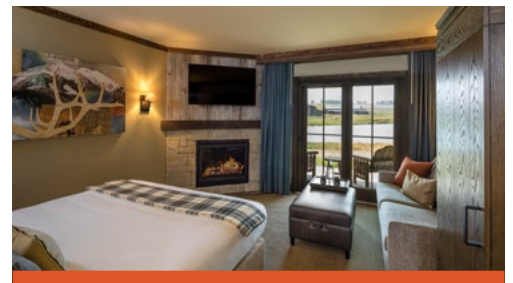

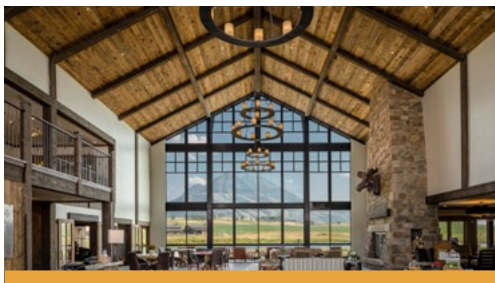

Featuring 6,200 square feet of meeting and venue space, Sage Lodge can accommodate groups of any size or type, from incentive trips and sales meetings to team building activities and wellness retreats. Just 35 minutes from Yellowstone National Park, nature's playground awaits. Your group will also enjoy engaging and innovative activities onsite at Sage Lodge that can be completely customized for your groups' needs. Launch a day of fly fishing, hiking, biking, hunting, or any other endeavor that calls your team's name.

Your outdoor expeditions will culminate in serious indoor comfort. Lodge guestrooms and Ranch Houses deliver a pure Montana ambience inspired by anglers, along with the coziness essential to any type of group getaway. While at the Lodge, you can also retreat to a full-service spa or The Grill for a drink and a meal cooked over an open wood fire.
